Objective

To be considered for the position of National Treasurer of Quarter Midgets of America for the 2021 - 2022 racing seasons.

Work Experience

2018 - Present

Anchor General Insurance

My department handles any suspicious or fraudulent activity for any property, casualty or auto claims that requires a more thorough investigation for any acts of fraud in the states of California, Arizona, and Washington.

1999 - 2018

Allstate Claim Department

My department handled all personal property, casualty, auto and special investigation claims. Currently, I am was the financial auditor for Allstate for the state of California.

Quarter Midgets of America Experience

My family has been involved in quarter midget racing since the 50's. I am a current member at Silver City and have two children that are actively racing. I have served on multiple committees, filled in when needed as club secretary, race director, marketing/promoting and liaison. The following are positions that I have held or are currently holding at the national level to support QMA.

2018 – Present QMA National Treasurer

2018 – Present QMA Grand's Liaison

2015 – 2019 OSQMRA Club Treasurer

Future QMA Goals

My goal while serving as the National Treasurer would be the following:

To keep accurate financial records for the Organization.

Audit the finances and prepare a budget.

Provide financial reports of expenses to Presidents and National Board.

Provide quarterly financial reports to all QMA members.

Notify the National Board of any suspicious or abnormal activity.

Effectively manage the day to day financial operations.
