Qualifications

- Served as the National President 2017- 2020.
- 20 Years management experience in the Finance Operations area.
- Managed the redrafting of the bylaws by legal counsel to bring QMA current and in compliance with the California non-profit structure.
- Managed the day to day operations of QMA
- Helped draft new participants policy for membership
- Streamlined and refined WQMA and Region9 racing program to increase efficiency within the race program while ensuring that the safety and structure of the program was maintained or improved.
- Maintained organization and structure while working with a diverse group of individuals in complex conflict situations.
- Worked in all aspects of club and region including scorekeeping, pit boss duties, judging, and race director.
- Spent time with my family during our quarter midget years making friends that have lasted beyond the years we raced as well as many new friends from our recent involvement.
